About the Project

The questing project is designed and maintained by the Rožnov pod Radhoštěm Public Library in cooperation with a senior creative group working under the title, "The Town in My Memory" in 2015. In cooperation with the Rožnov pod Radhoštěm Information Centre. It is financially supported by the town of Rožnov pod Radhoštěm.

Questing Rožnov's Gully

A quest along the trail of a unique water work and its history.

Set off along the trails of the original flow of the Rožnov's Gully and see the city's secluded areas, which you would otherwise miss.

Length of the Trail: 2km, takes approx. 2 hours

What will you need: Paper, pencil and comfortable shoes

Beginning of the Quest: from the intersection by the Eroplan and go towards the Wallachian Open Air Museum. Turn left behind the bridge from the cyclist path towards Lower Bečva before the pedestrian bridge, along the river to the weir.

About the Quest: along the way, you will look for stories and indications at the individual stops, which you will use to fill in the puzzle.

In case you cannot find any of the stops in place, you can always go to the Tourist Information Center, or to the Rožnov pod Radhoštěm Public Library. Their employees will help you.

The Upper Weir

When the gully was under construction, this site was far beyond the village. There was a weir at this site, which was wooden until the early 20th century. However, it was destroyed by a flood in ...
